Xisto Ilimitado Branco, Luis
Seabra, Douro, Portugal €52
The Alternative to Burgundy Chardonnays!

For the Wine Enthusiast

Douro is more well known for full bodied reds
and Port. However this white is made from
Rabigato the highly regarded white grape
grown in cooler high altitude vineyards on
mineral schistous soils 'Xisto' meaning schist.
Natures terroir creates a wine **full of flavour,
round and charmingly attractive with a
lingering mineral finish** reminding one of
Burgundy, only at much better value!!

This even keeps up with the delicious Boeuf
Bourguignon.
